We are excited to see so many familiar and new faces at MCG! In order to help everyone have the best experience in the gym, please keep the following guidelines in mind:

1. Arrive 5 minutes before class begins and ends.
2. Children should come ready in their practice clothes with shoes that are easy to get on/off.
3. Bring a water bottle with your child's name on it. Family accounts will be charged \$1 when a child needs a water bottle.
4. Encourage children to use the bathroom BEFORE class - especially the little ones!
5. The parking spaces closest to the gym are for drop off and pick up only. Please feel free to park in other available spaces around the gym/mall.
6. Bring a smile! We love to see our happy kids and families back in the gym!
